

REFLECTING ON OUR SERVICE

An idea remains an idea unless it is fostered into action and is experienced. Christian faith is an idea that requires Christians to act. The action of the Christian life is one of service. When your experience becomes service, it is time to reflect on what you have done. Please complete the information below as you reflect on your service experience. An individual (new) sheet is required for each service experience you complete. A family is responsible for participating in and reflecting on two (2) service projects during the formation year.
