The sending of cards to the families of recently deceased women of the Parish along with a Mass being said for the deceased was discussed. Leigh Weiss will research this topic as to cost of cards, postage and Mass fees.

Nancy S. is in contact with the past Treasurer, Mary Shafer, to get details on the budget as well as getting signed on with the Bank to be able to sign checks.

Bridgette A. presented a draft of the annual calendar of CCW activities and volunteer form which will be sent/e-mailed to the women of the parish in October. She also explained a new form of recognition, titled The Golden Rose, of female youth throughout the Diocese, of whom display qualities of spirituality, leadership and service. Bridgette will look into a new e-mail address for our CCW along with researching sending communication to our website. An existing e-mail list of the women of the Parish will be sent to Board members.

The National CCW convention is being held at the Marriot Minneapolis City Center November 2-5, 2022. Some Board members will be attending.

Different views were given regarding the monthly social where cinnamon rolls have been offered. The suggestion of a version of a coffee cake to be served, instead, was discussed.
