

CCW BOARD MEETING MINUTES JANUARY 5, 2023

Present: Barbara Gagliardi, Nancy Sarno, Nancy DePauw, Bridgette Adler, Leigh Weiss

Scholarship forms given out to Hudson High School senior girls were revised and updated. The monies were given directly to the universities for the winners of 2022. These applications are given out to all senior girls that attend St. Patrick Church. The certificate that is given out to the girls will be updated by Bridgette Adler. Along with that certificate, the certificate for the Pax Christi nominee will also be revised.

A representative from the CCW Board will speak at Masses one weekend to inform the ladies of the Parish the many activities that the CCW organizes and participates in at St. Patrick Church. This will coincide with a weekend that the CCW provides a cinnamon roll social for the congregation.

A Pax Christi nominee will be submitted to the Diocese sometime in the spring and will be considered before the May Diocesan convention.

There are more socials to be organized with dates as follows: Jan. 22; Feb. 26; April 23.

A formal St. Patrick's Day dinner is being organized for Friday, March 17, 2023. This will be a new event to honor our Patron Saint, Saint Patrick.

Funeral lunches are ongoing and are very much appreciated by the families of the deceased. Annette Schwab will meet with luncheon leads to update the worker and food volunteer lists. Mary Clohisy and some other ladies purchased green aprons to be used in the church kitchen. A St. Patrick logo was added.

A spring bake sale is being discussed as it continues to be a very successful fundraiser with wonderful participation from the ladies of the congregation.

Current checkbook balance: \$9,000 as of 1/5/23.

The CCW's annual charity donations will be sent out in March.

The current CCW Board will start working on updating and revising the By-laws that are in place.

Respectfully submitted,
Leigh Weiss
CCW Secretary
